

CURRICULUM VITAE

David M. Klein, M.D.

Kennedy-White Orthopaedic Center

6050 Cattlebridge Blvd, Suite 201· Sarasota, Florida 34232 · Phone (941) 365-0655 · Fax (941) 552-7861

BIRTH DATE

January 18, 1967 - New York, NY

WORK HISTORY:

Private Practice

Kennedy-White Orthopaedic Center

Sarasota, Florida

1999-Present

ACADEMIC APPOINTMENTS:

Clinical Assistant Professor of Orthopedic Surgery

University of South Florida College of Medicine

2002-Present

POST-GRADUATE EDUCATION:

FELLOWSHIP, HAND SURGERY

1998-1999

University of South Florida

Tampa General Hospital

Tampa, Florida

RESIDENCY, ORTHOPAEDIC SURGERY

1993-1998

State University of New York at Brooklyn (Downstate)

Kings County Hospital Center

Brooklyn, New York

INTERNSHIP, SURGICAL

1992-1993

University of Texas at San Antonio

San Antonio, Texas

EDUCATION:

UNIVERSITY OF FLORIDA COLLEGE MEDICINE

1988-1992

Gainesville, Florida

Doctor of Medicine (with Honors)

PRINCETON UNIVERSITY

1984-1988

Princeton, New Jersey

Bachelor of Science in Chemical Engineering

AWARDS:

Alpha Omega Alpha

Kings County Hospital Outstanding Physician

Bernard Freundlich/Mercer Rang Award (Brooklyn Orthopaedic Society)

CERTIFICATION & MEDICAL LICENSES:

Expert Medical Advisor for the Florida Division of Workers' Compensation (2009)
certified by Florida Workers' Compensation

Fellow, American Academy of Orthopaedic Surgeons	2003
Certificate of Added Qualifications in Hand Surgery	2002
Board Certified, American Board of Orthopaedic Surgery	2001
Diplomate of the American Board of Orthopaedic Surgery	2001
Florida Workers' Compensation Physician Certification	June 19, 1999
State of Florida Medical License	1998 to present
State of New York Medical License	1996 to present
National Board of Medical Examiners Certification	1993

MEMBERSHIPS:

American Academy of Orthopaedic Surgery
American Society for Surgery of the Hand
Florida Orthopaedic Society
Florida Hand Surgery Society
American Medical Association

PUBLICATIONS:

Distal Biceps Tendon Repair: Anchor vs Transosseous Suture Fixation.

Klein DM, Ghany, N, Urban, W, and Caruso, SA.
American Journal of Orthopaedics. 36(1): 34-37. January 2007.

Technique for Internal Fixation of Capitellum and Lateral Trochlea Fractures.

Mighell MA, Harkins D, Klein DM, Schneider S, and Frankle M.
Journal of Orthopaedic Trauma. 20:699-704. 2006.

Case Controversy - Distal Radius Fracture. Tornetta P 3rd, Klein DM, Stein AB,
McQueen M. Journal of Orthopaedic Trauma 2002 September; 16(8):608-11.

Percutaneous fixation of carpal and metacarpal injuries. Symposium article.

Belsole RJ, Klein DM. Clinical Orthopaedics and Related Research. 375: 116-125. 2000.

Histology of the extensor retinaculum of the wrist and ankle. Klein DM, Katzman BM,
Lipton JF, Geller JA, Caligiuri DA. Journal of Hand Surgery - American. 24A:4;799-802. 1999.

Immobilization of the mallet finger: Effect on the extensor tendon.

Katzman BM, Klein DM, Geller JA, Mesa JS, Caligiuri DA. Journal of Hand Surgery - British.
24B:1;80-84. 1999.

Comparative histology of the annular and cruciform pulleys. Katzman BM, Klein DM,
Garven TC, Caligiuri DA, Kung J. Journal of Hand Surgery - British. 24B:3;272-274. 1999.

Anatomy and histology of the A5 pulley. Katzman BM, Klein DM, Garven TC, Caligiuri DA,
Kung J, Collins ED. Journal of Hand Surgery - American. 23A:4;653-657. 1998.

Operative treatment of hip fractures in patients with renal failure. Klein DM, Tornetta P III, Barbera C, Neuman D. *Clinical Orthopaedics and Related Research.* 350;174-178. 1998.

Sensitivity of objective parameters in the diagnosis of pediatric septic hips.

Klein DM, Barbera C, Gray ST, Spero CR, Perrier G. *Clinical Orthopaedics and Related Research.* 338:153-159. 1997.

Sarcoid tenosynovitis of the volar wrist. Katzman BM, Caligiuri DA, Klein DM.

Journal of Hand Surgery - American. 22A:2;336-337. 1997.

Recurrent intravascular papillary endothelial hyperplasia. Katzman BM, Caligiuri DA,

Klein DM, Nicastri AD, Chen P. *Journal of Hand Surgery - British.* 22B:1;113-115. 1997.

Spontaneous healing of a massive tibial cortical defect. Klein DM, Caligiuri DA, Riina J,

Katzman BM. *Journal of Orthopaedic Trauma.* 11:2;133-135. 1997.

Another type of profundus tendon avulsion combined with an extra-articular fracture

of the terminal phalanx. Katzman BM, Caligiuri DA, Klein DM. *Journal of Hand Surgery - British.* 22B:4;546-547. 1997.

PUBLICATIONS (continued)

Eccrine carcinoma of the hand. Katzman BM, Caligiuri DA, Klein DM, Gorup JM. Journal of Hand Surgery - American. 22A:4;737-739. 1997.

Delayed onset of posterior interosseous nerve palsy following distal biceps tendon repair. Katzman BM, Caligiuri DA, Klein DM, Gorup JM. Journal of Shoulder and Elbow Surgery. 6:393-395. 1997.

Wrist pain following chemotherapy - Metastasis of esophageal cancer to the scaphoid. Klein DM, Gray ST, Katzman BM, DiPaolo P, Torno RB. Journal of Musculoskeletal Medicine. 15:2;82-82. 1997.

Modified turn-down flap for delayed repair of a quadriceps tendon. Katzman BM, Caligiuri DA, Silberberg S, Klein DM, DiPaolo P. Orthopaedics. 20:6;553-554. 1997.

Brief Report: Congenital vertical talus with talocalcaneal coalition. Klein DM, Merola AA, Spero CR. Journal of Bone and Joint Surgery. 78B:2;326-327. 1996.

Local advancement soft tissue coverage in a child with ipsilateral Grade III-B open tibial and ankle fractures. Klein DM, Caligiuri DA, Katzman BM. Journal of Orthopaedic Trauma. 10:8;577-580. 1996.

Pore volume distribution of artificial skin by liquid extrusion analysis. Klein DM, Tyomkin I, Miller B, Rebenfeld L. Journal of Applied Biomaterials. 1:2;137-141. 1990.

COMPLETED MANUSCRIPTS:

Distraction-lengthening of the thumb metacarpal in children with traumatic and congenital amputations. Klein DM, Hess AV.

BOOK CHAPTERS:

Ulnar styloid fractures; Compartment syndrome of the hand; Fasciotomy of the arm; External fixation for phalanx fractures; Fixation of radial styloid fractures; Treatment of carpometacarpal fractures, digits 2-4. — Techniques in Fracture Surgery. Tornetta P III,

Mosby (pending publication).

PRESENTATIONS & POSTERS:

Organizer, 2011 Florida Orthopaedic Society Hand “Break-Out” Session at the FOS Meeting, May 19-22, 2011

Distraction-lengthening of the thumb metacarpal in children with traumatic and congenital amputations. Klein DM, Hess AV. Florida Orthopaedic Society - Presentation - 1999.

Comparative histology of the annular and cruciform pulleys. Katzman BM, Garven TC, Caligiuri DA, Klein DM, Kung J. American Society for Surgery of the Hand Conference - Poster - 1997; New York Hand Society Residents’ Conference Presentation - Third Place - 1997; American Orthopaedic Association Residents’ Conference - Poster - 1997.

Repair of the distal biceps tendon: Suture-to-bone versus suture anchor fixation.

Klein DM, Urban W, Ghany N, Caruso S. American Academy of Orthopaedic Surgeons Conference - Presentation and Poster - 1998. New York Hand Society Residents’ Conference - Presentation - 1997.

Anatomy and histology of the A5 pulley. Katzman BM, Klein DM, Caligiuri DA, Kung J, Collins ED. American Orthopaedic Association Residents’ Conference - Poster 1997.

PRESENTATIONS & POSTERS (continued)

Immobilization of the mallet finger: DIP versus DIP/PIP. Katzman BM, Klein DM, Geller JA, Mesa JS, Caligiuri DA, Monsanto EH. American Academy of Orthopaedic Surgeons Conference - Poster - 1998; New York Hand Society Residents' Conference - Presentation - 1997.

Histology of the extensor retinaculum of the wrist and ankle. Katzman BM, Klein DM, Lipton JF, Geller JA, Caligiuri DA. American Academy of Orthopaedic Surgeons Conference - Poster - 1998.

Operative treatment of hip fractures in patients with renal failure. Klein DM, Tornetta P III, Barbera C, Neuman D. American Orthopaedic Association Residents' Conference - Poster - 1997.

Sensitivity of objective parameters in the diagnosis of pediatric septic arthritis of the hip. Musculoskeletal Infection Society Meeting - Presentation - 1995.

Volumetric pore structure characterization in the study and development of artificial skin. Princeton Senior Thesis - 1988.

LECTURES

January 11, 2011

"Reverse Total Shoulders: What, When, and How"

South Bay Occupational Therapists Society

July 30, 2009: FCCI (First Choice Commercial Insurance)

Amputations, Upper Extremity and Lower Extremity.

Continuing medical education lecture for the FCCI Group

May 15, 2008: Florida Association of Rehabilitation Nurses 2008 Conference, Orlando, Florida
Serious Hand Injuries & Rehabilitation – Effective Non-surgical and Surgical Approaches for Orthopaedic Injuries.

April 28, 2006: Sarasota Memorial Hospital 'University', Community Education Program.
Shoulder Tendinitis and Rotator Cuff Injuries.

February 9, 2006: Florida Academy of Physician Assistants, 2006 Winter Conference

and Certification Review. **Common Orthopaedic Problems of the Upper Extremity.**

February 11, 2005: USF/Tampa General Hospital, Hand Surgery Fellowship
Carpal Instability.

February 4, 2005: HealthCare America, Sarasota, FL
**“Tennis Elbow?, but I don’t play tennis!”: Golfer’s Elbow, Tennis Elbow, and other
tendinitis of sport. Truth and fiction as it applies to tendon injuries in sports persons.**

October 15, 2004: USF/Tampa General Hospital, Hand Fellowship Lecture.
Shoulder Disorders and Examination for the Hand Surgeon.

September 24, 2004: Orlando Regional Medical Center, Grand Rounds.
Dupuytren’s Disease.

June 11, 2004: Choice Medical Management, Sarasota-Manatee Workers’ Compensation
Adjustor’s Meeting. **Evaluation and Diagnosis of Upper Extremity Soft Tissue Injuries.**

LECTURES (continued)

May 28, 2004: USF Hand Surgery Conference, Tampa.
Tendon Transfers, Part I.

April 2, 2004: Orthopaedic Grand Rounds, Orlando Regional Medical Center.
Tendon Transfers.

January 30, 2004: USF/Tampa General Hospital, Hand Fellowship Lecture.
The Triangular Fibrocartilage Complex. Disorders and Treatment.

January 16, 2004: Grand Rounds, Sarasota Memorial Hospital.
Shoulder Disorders for the Primary Care Physician.

December 5, 2003: Orlando Regional Medical Center, Grand Rounds.
The Triangular Fibrocartilage Complex. Disorders and Treatment.

June 28, 2003: Orlando Regional Medical Center
Anatomy, Function, & Pathology of the Digital Extensor Hood.

April 8, 2003: Southbay Occupational Therapy Association
Volar Fixation for Distal Radius Fractures and Lateral Elbow Pain.

March 6, 2003: North American Orthopaedic Nurses Association, Sarasota Chapter Meeting.
Carpal Tunnel Syndrome and Operative Treatment of Distal Radius Fractures.

February 28, 2003: University of South Florida, Hand Surgery Fellowship Grand Rounds.
Disorders and Treatment of the Distal Radioulnar Joint.

February 25, 2003: IMG/Bollettieri Sports Medicine Center.
Radial Tunnel Syndrome, Radial Head Fractures, Scaphoid Fractures, and the Triangular Fibrocartilage Complex. A Guide for the Occupational and Physical Therapist.

January 7, 2003: Orlando Regional Medical Center, Orthopaedic Grand Rounds.
Disorders and Treatment of the Distal Radioulnar Joint.

June 21, 2002: Orlando Regional Medical Center, Orthopaedic Grand Rounds.

Volar Fixation for Distal Radius Fractures.

April 2000: Doctors Hospital of Sarasota.

ER Treatment of Hand and Upper Extremity Injuries.

December 1999: Sarasota Memorial Hospital, Department of Occupational and Physical Therapy.
Disorders and Treatment of the Rotator Cuff.

1997: SUNY Health Science Center at Brooklyn, Orthopaedic Grand Rounds.
The flexor tendon sheath and pulleys.

1995: SUNY Health Science Center at Brooklyn, Orthopaedic Grand Rounds.
Infectious arthritis.

Revised May 8, 2011
